

# HOW TO RECOVER THE PASSWORD?

If you forgot your password to access the portal, no problem! You can configure it yourself by following the next steps:

- 1**  Visit [www.mydaikindna.com](http://www.mydaikindna.com)
- 2**  Click on **"I forgot my password"** which you will find above the field to enter your password.
- 3**  Enter your **User and / or Login ID** with which you usually enter to the program.
- 4**  Answer the security question you selected when setting up your account for the first time.
- 5**  Create a new password.

In case you don't remember the answer to your security question or need assistance with the process please send us an email by clicking on the **"Contact"** link at the bottom of the page.
